Restaurants
& Bars:

TEC-TEC: An expressive setting where elegance and nature meet. Tec-Tec lures diners with its dramatic beachfront setting for superb fine dining whenever you like. Drop by for a tasty late lunch and watch the waves crashing in or dress up for dinner at sunset as fire pillars light up the sky. It's inspired by Creole, Indian, and Asian Cuisines.

THE SUNSET POOL BAR: Positioned between the pool and ocean, this is the place to order sunbed drinks, no matter where the sun is in the sky. Their resident sommelier and mixologist can guide guests through the menu or prepare something special. Guests can select from the "classics", or their "originals" created specially to excite their palate. The Pool Bar serves cocktails and little bites.

PRIVATE WINE CELLAR TABLE: Private table dining presenting cuisine incorporating organic and locally farmed sustainable ingredients. Guests have an extensive 'niche' of wine selection, and handcrafted cocktails while indulging in Mediterranean and Creole Cuisine. Only available on pre-booking, this unique location is the culinary highlight of the resort.

IN VILLA/ON LOCATION DINING: For premier villa bookings, the luxury extends to dining anywhere guests desire, whether a windswept stretch of beach or the privacy of their sundeck.
