## Property Highlights:

La Digue Island Lodge, the island's first hotel and one of Seychelles' original tourism institutions, offers a charming blend of heritage and hospitality. Perfect for both couples and families, the lodge features a variety of accommodation options to suit different preferences. It is also home to the iconic "Yellow House," a preserved national monument that reflects the island's rich Creole heritage. Adding to its uniqueness, the property hosts La Digue's only dive center, providing guests with exclusive access to the island's vibrant marine life and diving experiences.
