**Property
Highlights:**

Hilltop Boutique Hotel is a centrally located, family-run boutique hotel on Mahé Island, positioned on the outskirts of Victoria – Seychelles' capital and principal business hub – offering direct access to the city's cultural, commercial and transport links. The property features an accommodation mix of studios, one- and two-bedroom apartments with flexible layouts suited to business travellers or active families looking to explore the island.

Its proximity to Victoria's core – within walking distance to key city landmarks, markets and services – and easy connectivity to Beau Vallon Beach make it particularly convenient for corporate travel, work-cations and itinerant guests seeking to explore Mahé beyond their base. Hilltop is a practical and versatile accommodation option for both business and leisure segments.
