**Property  
Highlights:**

Enchanted Island Resort stands out for its private island concept, low villa count and exceptional sense of exclusivity, occupying the entirety of Round Island and offering just 11 villas and 2 hilltop rooms, each with a private infinity pool, beach access and uninterrupted ocean views. Set within the biodiverse Sainte Anne Marine Park, the resort provides excellent snorkelling, kayaking and marine experiences in protected waters rich in marine life, while still being conveniently located only 10–15 minutes by boat from Mahé, allowing seamless combination with other islands.

The property's Creole-inspired architecture, integration into natural granite and tropical surroundings, and highly personalised service create a refined yet intimate guest experience tailored to leisure and honeymoon segments. With its combination of privacy, proximity to Mahé, and immersive natural setting, Enchanted Island Resort is particularly well suited for romantic itineraries and multi-island programmes targeting premium travellers.
